## **Tres Dias Northern New Jersey Sponsor's Duties**

Sponsorship must be viewed as a total commitment, not just a partial act of selection. Sponsorship means to help someone become more of a leader for Christ through the Tres Dias experience. As a sponsor I will consider the following:

- Recognition that Tres Dias is not for everyone. Offering Tres Dias to someone comes only after I am willing to make a significant commitment to that person. If I am not willing to make that commitment, I should not sponsor
- Have I honestly looked at my reasons for sponsoring?
- Do I know that person, or do I just know about that person?

### **Financial Responsibilities and Scholarship Policies**

While it is the intent of the Secretariat of Tres Dias of Northern New Jersey that no candidate or team member be denied the experience of a Tres Dias weekend, it is our policy that all participants – team members and candidates alike – contribute, or arrange contribution of an amount equivalent to the cost a weekend – which is \$300. The Scholarship Fund exists to assist those who cannot do so in full, but it is limited.

As a sponsor, you are obliged to advise the potential candidate of the contribution policies and arrange for the contribution to be submitted with the candidate's application or as soon thereafter as is practical. It is your responsibility to assure that the contribution is covered, if not by the candidate, then by other sources such as the candidate's church, sponsor's share group etc. Scholarship funds shall be requested by the sponsor only after all other viable avenues have been diligently pursued.

### **Sponsors Responsibilities During and After Weekend**

Sponsors should support candidates on the weekend: Providing transportation to and from the Retreat House; praying for the weekend; providing a general palanca letter to the weekend and a personal palanca letter to the candidate; attending the Closing and the Mananita. If possible volunteer for kitchen or aux palanca at the Retreat House. Offer help to the candidate's family, e.g., providing baby sitters when needed, help pay or share the cost of the weekend, which now is \$300 and should be paid prior to the weekend. In the event of financial hardship, limited Scholarship funds are available. Requests for Scholarship funds should be directed to the President of Tres Dias Northern New Jersey, who shall decide upon their use.

After the weekend invite and bring your candidate (new Pescador) to Sequelas. Encourage the new Pescador to work on a team. Keep in touch with your new Pescador, and invite them to a reunion group or tell them how they can start their own.

I have read the above and have reviewed my candidate's application
